DRAFT Comments I-70East Project AQ Conformity Analysis Plus-1-5-2017 cdd joffeORC lvb.docx

Hi Tim and all,

I added my comments to Brian's document – so it has Chris's, Brian's and my comments at this point. Tim, there are some sentences that I added that I flagged as needing a check for factual accuracy (dates, document names). I liked what Chris added and I thought it should be in the main comment rather than the chronology (see my changes). I also responded to some of Brian's comments.

Meg still has to review this. She can review the next draft if it's available by COB today or Monday morning, or, she can review this version and give her comments Monday morning... let her know what you prefer.

Would it make sense to set this up as a Sharepoint document to make editing easier?

Subject: Draft Comments for EPA Internal Review on the I-70 East Project Draft ROD Information

Hi Everyone,

As agreed from our conference call of January 4, 2017, I have prepared draft comments regarding FHWA's I-70 East project's "Air Quality Update, Draft Air Quality Conformity Determination, and National Environmental Policy Act (NEPA) Comparative Analysis."

For a quick reference, this document can be found at: http://www.i-70east.com/AirQuality/I-70EastEIS_DraftAirQuality.pdf.

Please review the attached Word file (dated 1-5-2017) and provide suggested comments/questions/edits/deletions – and thanks! My target is to have a draft document that we can use on Monday for our "check-in" call.
